SUMMER ACTIVITIES

These past couple months have been so much fun. We have taken scenic drives to Bodega bay to get away from the hot inland weather and Armstrong woods for a picnic. We also drove down the street to visit the Schultz museum. It was amazing to see how interested our residents were in Shultz's work and some residents even knew him personally! In June we had our annual Mock Wedding where we had a "beach" themed wedding on our front lawn. The bride and groom were in perfect form and everyone had a great time.

In July we had our Annual Primrose County Fair. We had just a blast seeing all those animals and being able to see the residents with their loved ones enjoying themselves. Everyone had a great time at the Photo Booth and games. This year, the Residential side won the Pie Contest!

In August, we went to the Sonoma County Fair. We had lunch and took a stroll through the Flower Hall and also go through the Butterfly garden which was amazing! Butterflies were landing on us and the residents enjoyed feeding and picking them up. Thank you all of those who were able to make it and we hope you will join us in our next event, our **Oktoberfest Celebration** which will be held on **Friday, September 23rd, at 2pm**. We will be sending the invitations shortly.

"Do anything, but let it produce joy." – [Walt Whitman](#), [Leaves of Grass](#)
