WINTER ACTIVITIES

We have been busy bees these past couple of months. Our residents have been working hard to decorate for the special events we have hosted. At our Halloween party, we all got dressed up and danced to the “Monster Mash,” and played fun games like the Mummy Wrap. At our Thanksgiving dinner we got to spend some quality time with loved-ones and enjoyed Jack’s wonderful food. Thank you very much to all the families who were able to join us on this special day! It was wonderful to see all the Primrose families get together and mingle.

We have enjoyed the wonderful Christmas music and all the decorating that came with it. Our residents decorated the dining room by creating big snowflakes out of popsicle sticks, Christmas wreaths to hang on their doors and cute candy cane mice which we hung from the garlands. The thing we enjoyed the most was all the wonderful Carolers that made time to come and visit us. Singing Christmas carols really puts a smile on our faces, especially during these festive days.

We have many great things planned for the coming year and we hope you will join us. We are also looking forward to starting our Music and Memory Program which will offer a personalized playlist of our resident's favorite music using iPods. If you would like to help us on this project, please give us a call. Thank you and may this year be a great for you all!
