We say goodbye to a dear friend and coworker

Families and Friends

It is with great sadness that I let you know that I will be leaving Primrose as of Wednesday, July 28th. I have decided to move to Olympia, Washington and the wetter weather.

Working here over the last 10 years has been truly special, and I have loved being part of the Primrose Family. This place is truly magic. I admire John's vision and ability to provide true 'quality of life' to the residents, staff and families.

We've been through a great deal over the years and you all have been a great support to me through it all. I will miss our talks, problem solving and overcoming hurdles together

Thank you for everything.

Jennifer Watson, MSW

Program Director

Though miles may lie between us, we are never far apart. For friendship doesn't count miles, it is measured by the heart.
